Dear Members,

This will be the last time I am addressing all of you in *ClubSpirit*. I would like to thank all members and families for their continuous support in our Club activities, from dining at the Food and Beverage (F&B) outlets to taking part in various Sports and Recreation, Social and Entertainment activities. We appreciate the continuous feedback as it helps us to continually work towards achieving the Club's vision and mission statements.

Looking back, I am glad to report that our past events such as The Rolling Good Times with the King and Dancing Queen, and Elvis Tribute were well attended by members and friends. The comments and feedback following the conclusion of the events were also encouraging. The Club will continue to organise entertaining events for members to enjoy.

The Royal Indian Wedding Show was another big event we put together recently to showcase the various wedding function packages that we offer at the Kensington Ballroom. The event attracted close to 100 couples who were keen to find out more about the packages that we offer. With the leads generated through the wedding show, the F&B team is working hard to translate the leads to sales, to improve our banquet revenue.

On the social and recreation front, we recently introduced a new Ukulele class, and to our surprise, many members registered for the course. The high participation rate resulted in the formation of a new interest group, with many of our members looking to continue jamming with each other post lesson. For those who own a ukulele or are keen to learn more about this string instrument, do contact our Membership Relations (MR) team for more information on how to join this interest group.

On the F&B front, the Atrium Café recently completed its kitchen renovation, and business is back as usual. I would like to thank members for their patience and for their support of the Atrium Café. My hope is that members will continue to patronise our F&B outlets.

I am happy to share that the Mother's Day promotions offered at both Garden Grill and Atrium Café were hugely successful, and we hope that we will continue to see excellent patronage for our upcoming Father's Day promotions as well. Take your dad to Atrium Café if he loves seafood as the outlet will be offering a Crab-a-licious feast. Alternatively, surprise him with the Father's Day Set Menu at Garden Grill.

Heartiest congratulations to our bowlers for emerging as champions for the third consecutive year at the 3rd Senior Inter-Club Bowling Mixed League.

The young ones are not forgotten – Our Junior Gems will be pleased to know that their party this year will be an exciting and futuristic space adventure theme. There will be games galore, virtual reality experiences, and lots of fun activities, such as designing and building your own space rocket, and more. Register your interest with our membership relations team today to secure a goodie bag.

If your little ones love to perform – be it singing, dancing, or acting, sign them up for our "SGCC Inspiring Kids" where they will be given a platform to showcase their talent. Simply record their performance and send in a video clip, and they will stand a chance to perform during the Club's annual Christmas Light Up, slated to be held on 24 November 2018, Saturday.

The adults will also be kept thoroughly entertained with a host of upcoming events, such as the Flea Market, set to take place on 9 June 2018, Saturday, as well as plenty of other sports tournaments and F&B promotions. With the highly anticipated FIFA World Cup 2018 coming up, we are pleased to share that we will be offering live streaming of the matches at Crossroads Lounge and the Lobby area this June and July.

Lastly, I would like to wish all dads a very Happy Father's Day. May you enjoy your time with your loved ones.

Best regards,

Randy Sng
President

**EDITOR'S FAVOURITE**

Huge thanks to both Liza and John from the Garden Grill for the excellent service they provided during my private celebration dinner held on 11 April 2018.

I was very impressed with the way John, Liza and their team had prepared the dining room for my event - the room was set up in a way to offer a warm and cosy ambience, and both of them were particularly attentive and prompt in serving my guests. The food was excellent as well, and my guests left the restaurant that night with a fantastic impression of the service and food. Kudos to John, Liza and the entire team. Keep up the good work!

- Catherine Goh

I would like to commend Terrence and his team for ensuring that my sports earbuds were returned to me. I had used them in the gym while working out, and had accidentally left them there. After I alerted him that I had misplaced them, he went all out to ensure that the gym staff help find it and have it returned to me in good order. - Png Kim Boo

BE GENTLE WITH THE TOYS AT KIDDIELAND

It has come to our attention that some of the toys in Kiddieland are broken and damaged. We would like to urge all parents to supervise their children when they are playing with the toys to ensure that they are always in good care. Alternatively, it would be useful if parents can remind their children to handle the toys with care so that other children will get to play with them too.

USE OF TOWELS AT THE GYM

The gym equipment and machines are disinfected on a regular basis, but it is still good to exercise caution. We would like to remind members to use a towel to cover the gym equipment when using it and/or use the towel to wipe down the equipment after use. We also have antibacterial spray and paper towels that you can use to wipe the equipment before and after use.

USAGE OF POOL TABLE AT THE HANGOUT

The pool table only accepts SGD\$1 coins. Players should refrain from putting any other coins or foreign objects into the coin slot of the pool table. Such actions are tantamount to cheating. Exchange of coins can be made at the Main Reception. We would also like to remind players not to insert any other foreign objects into the pockets of the pool table.

DIALOGUE SESSION

21 April 2018, Saturday
2-5pm

Kensington Ballroom
Free (Members only)

We conducted a Dialogue Session on 21 April 2018, Saturday, at the Kensington Ballroom, attended by members who registered with us. This interactive session was a good platform for members and our General Committee to share their views. The session talked about the impact of government regulations on jackpot and balance budget consideration. It was great to gather feedback from our members and to understand their preference. (Editor's note: At the point of print) Invitation to the follow up Dialogue Session scheduled for 27 May 2018, Sunday, was sent to all members. We hope to see you.

During the workshop, the young ones not only learned how to solve science and math problems in a fun way, but they also mastered the skill of building their own vehicles that looked like their favourite superhero or animal, and how to programme the robot using a computer to do what they want it to do. All the kids enjoyed themselves thoroughly.
