We would like to remind all members of the following club bye-law regarding the use of changing rooms:

- **Children below the age of five (5)** must use the **children's changing room**.
- **Children between five (5) and ten (10) years old** must either use either the **respective adult or children's changing rooms**.

To ensure comfort, safety, and privacy for all, we seek your kind cooperation in adhering strictly to this rule. If you observe any member not abiding by this bye-law, please report the matter immediately to the **Counter Staff** or **Security** for further action.
