Dear Members, to promote sustainability and hygiene, we will be phasing out disposable wipes in the gym. Spray sanitizers will be provided for equipment wipe-downs.

- ✓ **Eco-Friendly** – Reduces waste for a greener environment.
- ✓ **Better Hygiene** – Effective, low-waste disinfection.
- ✓ **Maintained Cleanliness** – Regular cleaning by gym staff.
- ✓ **Member Responsibility** – Please bring your own towel.

Thank you for helping us keep the gym clean and sustainable!
